A BILL FOR

An Act to amend section four hundred four point five (404.5),
Code 1946, relating to taxation for community center
improvement and maintenance fund and playground or
swimming pool maintenance fund.

Be It Enacted by the General Assembly of the State of Iowa:

1 Section 1. Section four hundred four point five (404.5),
2 subsection twenty-three (23), Code 1946, is hereby amended
3 by inserting after the word "district" in line two (2)
4 the following: "or within the limits of a city or town
5 having an established playground or recreation commission,".
6 Further amend by striking the period (.) from the
7 end of said subsection and inserting the following: "or
8 of the playground, playgrounds, swimming pool or swimming
9 pools; provided however, that the combined millage levy
10 for community center improvement and maintenance fund,
11 and the playground or swimming pool maintenance fund shall
12 not exceed one and three-fourths mills."

EXPLANATION OF H. F. 272

This bill is designed to allow additional levies to be made for those cities not having established community or recreation centers. Thus, rather than establish an additional community or recreation commission with duplication of supervision and administration, it should be permissible to obtain the increased amount to the playground commission alone, of those cities being able to qualify.
